

submitters of information under section 114 of the CAA that EPA may provide the above mentioned contractors access to these materials on a need-to-know basis. These contractors will provide technical support to the Office of Air Quality Planning and Standards (OAQPS) in economic impact assessment for Federal Air Pollution Control Regulations.

In accordance with 40 CFR 2.301(h), EPA has determined that each contractor requires access to CBI submitted to EPA under sections 112 and 114 of the CAA in order to perform work satisfactorily under the above noted contracts. The contractors' personnel will be given access to information submitted under section 114 of the CAA. Some of the information may be claimed or determined to be CBI. The contractors' personnel will be required to sign nondisclosure agreements and will be briefed on appropriate security procedures before they are permitted access to CBI. All contractor access to CAA CBI will take place at the contractors' facility. Each contractor will have appropriate procedures and facilities in place to safeguard the CAA CBI to which the contractor has access.

Clearance for access to CAA CBI is scheduled to expire on September 30, 1998 under contract 68D40099 and on September 30, 1997 under contract 68D40107.

Dated: August 23, 1996.

Mary D. Nichols,

Assistant Administrator for Air and Radiation.
